

Proof of Claim Forms Mailed

On Friday May 16, 2008 the Illinois Department of Financial and Professional Regulation (IDFPR) mailed Proof of Claim forms to certain institutions and licensees that may be eligible to receive credit under an agreement reached between IDFPR and other State entities and trade organizations representing those institutions and licensees. Please note that claimants need *not* be a member of a trade organization to benefit from the agreement. All institutions and licensees receiving Proof of Claim forms are therefore encouraged to complete and submit the forms to IDFPR at the address indicated on the form. Please note that the request to include the charter number does not apply to licensees. Please further note that while disclosure of the charter number will assist IDFPR in processing documents, the failure to include such information will *not* preclude an institution from obtaining the benefit of the agreement. Institutions and licensees are encouraged to contact the following organizations for further details and assistance:
